## STEP BY STEP INSTRUCTIONS

**Foundation Chain and Calamus:** Ch 7, then chain an additional 6 to start the calamus section. Next, chain 1 and slip stitch into the next 6 chains. Finish this segment by chaining 7.

**Row 1:** Begin by chaining 3 (this counts as the first dc), then work 2 double crochets in the same stitch. Follow this with 3 double crochets in each of the next 3 chains. Now, perform 1 double crochet 3 together (dc3tog), followed by 1 treble crochet on the calamus, and another dc3tog. Continue by working 3 double crochets in each of the next 3 chains, and finish with 3 double crochets in the last chain.

**In the subsequent rows, all double crochets (dc) will be executed exclusively in the back loop.**

**Row 2:** Ch 3, which counts as the first dc, then work 2 dc in the same stitch. Proceed by crocheting 3 dc in each of the next 3 dc stitches, followed by a dc3tog (three dc stitches worked together), and 1 front post treble crochet (fptr). Skip the treble chain from the previous row, work another dc3tog, continue with 3 dc in the next 3 dc stitches, and finally, complete the row with 3 dc in the last dc stitch.
